2898 CEPPELLINI R., DE GREGORIO M. Emagglutinazione ed emolisi condizionate mediante gli antigeni della Salmonella typhi. [Emagglutination and hemolysis conditioned by antigens of Salmonella typhi] p. 429-44

2899 CEPPELLINI R., DE GREGORIO M. Crisis emolitica in animali batterio-immuni trasfusi con sangue omologo sensibilizzato in vitro mediante l'antigene batterico specifico. [Hemolytic crisis in immune animals following transfusion of homologous serum sensitized in vitro by specific bacterial antigen] p. 445-53

2900 MONACI V., BONETTI F. Ricerche sulla poliomielite. I. Isolamento e tipizzazione del virus poliomieltico mediante cultura su tessuto. [Studies on poliomyelitis: isolation and typing of poliomyelitis virus by tissue culture] p. 454-62

2901 BENZONI G. Su di un nuovo tipo di vaccino antistafilococcico per via orale sterilizzato con l'acetone. [New type of anti-staphylococcal vaccine administered by the oral route and sterilized with acetone] p. 463-9

2902 ZANUSSI C., GASPARINI G. Potere complementare a shock anafilattico: studio del potere complementare del siero sotto carico di istamina, acetilcolina ed eparina. [Complement power and anaphylactic shock: studies on complement power of blood serum following administration of histamine, acetylcholine, and heparin] p. 470-4

2903 ANDREONI O., MONACI V., SCHIAVINI A. Raperti batteriologici in 1166 casi di gastroenterite infantile. [Bacteriologic studies on 1166 cases of gastroenteritis in children] p. 477-81

2904 NARPOZZI A., ROSSI F. Sulla patogenesi dell'edema da albumi d'uovo; influenza dell'anestesia generale, ricerche sperimentali. [Pathogenesis of egg albumin edema; effect of general anesthesia; experimental studies] p. 482-8

2905 ORTONA L., SORICE F. Azione dell'associazione penicillina-eritromicina nei confronti di stafilococchi patogeni penicillino-resistenti. [Effect of association of penicillin and erythromycin on strains of pathogenic and penicillin resistant staphylococcus] p. 489-96

2906 CAVALLO G. Calore ed induzione lisogenica. [Heat and lysogenic induction] p. 496-504

## BOLLETTINO DELLE MALATTIE DELL'ORECCHIO, DELLA GOLA, DEL NASO (Pisa)

Boll. mal. orecchio 71:5 Sept-Oct 53

2907 REMAGGI P. L. Il quadro morfologico delle prime vie digerenti e respiratorie del ratto albino nel corso di ipovitaminosi sperimentali. I. La faringe nella carenza di vitamina A. [Morphology of the upper digestive and respiratory passages of albino rats during experimental hypovitaminosis. I. The pharynx in vitamin A deficiency] p. 401-11

2908 REMAGGI P. L. Il quadro morfologico delle prime vie digerenti e respiratorie del ratto albino nel corso di ipovitaminosi sperimentali. II. La trachea nella carenza di vitamina A. [Morphology of the upper digestive and respiratory passages of albino rats during experimental hypovitaminosis. II. The trachea in vitamin A deficiency] p. 412-7

2909 REMAGGI P. L. Il quadro morfologico delle prime vie digerenti e respiratorie del ratto albino nel corso di ipovitaminosi sperimentali. III. La lingua nella carenza di vitamina A. [Morphology of the upper digestive and respiratory passages of albino rats during experimental hypovitaminosis. III. The tongue in vitamin A deficiency] p. 418-24

2910 REMAGGI P. L. Il quadro morfologico delle prime vie digerenti e respiratorie del ratto albino nel corso di ipovitaminosi sperimentali. IV. La lingua, la faringe, l'esofago nella carenza di vitamina E. [Morphology of the upper digestive and respiratory passages of albino rats during experimental hypovitaminosis. IV. The tongue, pharynx, and esophagus in vitamin E deficiency] p. 425-43

2911 LECCO V., GALETTI G. Il quadro morfologico delle prime vie digerenti e respiratorie del ratto albino nel corso di ipovitaminosi sperimentali. V. La lingua, la faringe, l'esofago e la trachea nella carenza di vitamina B<sub>6</sub>. [Morphology of the upper digestive and respiratory passages of albino rats during experimental hypovitaminosis. V. The tongue, pharynx, esophagus, and trachea in vitamin B<sub>6</sub> deficiency] p. 443-57

2912 LECCO V., GALETTI G. Il quadro morfologico delle prime vie digerenti e respiratorie del ratto albino nel corso di ipovitaminosi sperimentali. VI. Lingua, faringe, esofago, stomaco e trachea nella carenza di vitamina B<sub>12</sub>. [Morphology of the upper digestive and respiratory passages of albino rats during experimental hypovitaminosis. VI. The tongue, pharynx, esophagus, stomach, and trachea in vitamin B<sub>12</sub> deficiency] p. 458-68

2913 LECCO V., GALETTI G. Il quadro morfologico delle prime vie digerenti e respiratorie del ratto albino nel corso di ipovitaminosi sperimentali. VII. Lingua, faringe, esofago e trachea nella carenza sperimentale di vitamina B<sub>6</sub>. [Morphology of the upper digestive and respiratory passages of albino rats during experimental hypovitaminosis. VII. The tongue, pharynx, esophagus, and trachea in experimental vitamin B<sub>6</sub> deficiency] p. 469-70

2914 LECCO V., GALETTI G. Il quadro morfologico delle prime vie digerenti e respiratorie del ratto albino nel corso di ipovitaminosi sperimentali. VIII. La faringe nella carenza di fattori proteici animali (vitamina B<sub>12</sub> - fattori sconosciuti del complesso FFA). [Morphology of the upper digestive and respiratory passages of albino rats during experimental hypovitaminosis. VIII. The pharynx in animal protein factor deficiency (vitamin B<sub>12</sub> - unknown factors of the AFP complex)] p. 471-81

2915 LECCO V., GALETTI G. Il quadro morfologico delle prime vie digerenti e respiratorie del ratto albino nel corso di ipovitaminosi sperimentali. IX. Lingua, esofago e trachea nella carenza di FFA (vitamina B<sub>12</sub> - fattori sconosciuti del complesso FFA). [Morphology of the upper digestive and respiratory passages of albino rats during experimental hypovitaminosis. IX. The tongue, esophagus, and trachea in animal protein factor deficiency (vitamin B<sub>12</sub> - unknown factors of the AFP complex)] p. 482-90

2916 LOVINO M., BALLI L. Alterazioni faringee da irradiazione roentgen. [Pharyngeal changes caused by roentgen irradiation] p. 491-508

Boll. mal. orecchio 71:6 Nov-Dec 53

2917 DEL MAGRO A. Considerazioni sull'uso della procaina a riassorbimento ritardato nella tonsillotomia. [Use of delayed-absorption procaine in tonsillectomy] p. 527-33

2918 MATTIOLI V., CROCELLA A. Fistola completa laterale del collo associata a sinostosi di vertebre cervicali. [Complete lateral fistula of the neck with cervical vertebral synostosis] p. 534-44

2919 CASSANO A. Ipotesi etiopatogenetica sull'otosclerosi basata su indagini biochimiche nel sangue e nell'urina. [Etiopathogenic hypotheses concerning otosclerosis based on biochemical tests of blood and urine] p. 545-64

2920 TANZARIELLO R., BRUNO P. Disproteidemia e lesioni articolari. [Disproteidemia and articular lesions] p. 565-78

2921 SALA O. Su alcuni aspetti clinici di interesse otorinolaringoiatrico dell'osteopetrosi generalizzata. [Otorhinolaryngologic importance of some aspects of generalized osteopetrosis] p. 577-92

2922 DE VIDO G. Effetti funzionali di alcuni farmaci sull'apparato vestibolare. [Functional effects of some drugs on the vestibular apparatus] p. 593-622

2923 FINZI A. Trattamento di alcune affezioni acute della gola con associazione di penicillina e bismuto per via rettale. [Rectal administration of combined penicillin and bismuth in therapy of some acute diseases of the throat] p. 623-8

## BOLLETTINO D'OCULISTICA (Bologna)

Boll. ocul. 32:11 Nov 53

2924 AURICCHIO G. Il metabolismo della retina distaccata. [Metabolism of the detached retina] p. 641-5

2925 DORELLO U. Ricerche sul glutinone del cristallino. IV. Comportamento del glutinone del cristallino del ratto in seguito a somministrazione per via generale di dosi elevate di DCA, ACTH, cortisone e formalina. [Research on glutinone of the crystalline lens. IV. Behavior of glutinone of the crystalline lens of rats after administration by general route of high doses of DCA, ACTH, cortisone, and formalin] p. 646-50

2926 TORELLI C. Osservazioni cliniche sul sistema di Mobius. [Clinical observations on Mobius' sign] p. 661-6

2927 BRUNA F. Il trattamento degli adenomi ipofisari mediante steroidi androgeni; a proposito di alcune modificazioni del deficit perimetrico da tumore sellare ottenuto in seguito a somministrazione di testosterone. [Treatment of pituitary adenoma by androgenic steroids; modifications of the perimetric deficit due to the sellar tumor after administration of testosterone] p. 667-80

2928 BOCCI G. Sull'azione antiallergica del cortisone in sede oculare. I. Controllo nella cavia del potere protettivo verso lo shock anafilattico. [Antiallergic action of cortisone in the eye. I. Protective effects in anaphylactic shock in the guinea pig] p. 681-8

2929 SALVI G. L. Rilevati istopatologici nell'infiammazione congenita familiare della cornea. [Histopathological findings in the familial congenital turbidity of cornea] p. 688-98

## BOLLETTINO DELLA SOCIETA ITALIANA DI BIOLOGIA SPERIMENTALE (Napoli)

Boll. Soc. ital. biol. sper. 28:7 July 53

2930 GAZZARRINI A. Influenza di alcuni solventi degli estrogeni sul tasso della colinesterasi e della tributirina serica ed epatica di ratti. [Effect of some estrogen solvents on serum and hepatic cholinesterase and tributyrinase] p. 1311-3

2931 BOCCHIOTTI S., FARRONI G. Ricerche sperimentali su alcune caratteristiche biochimiche del metodo della pressione frazionata. [Experimental research on some biochemical characteristics of the fractionated pressure method] p. 1313-4

2932 PARMENTIER R., ASTALDI G. Prime ricerche riguardo gli effetti dell'idrochione sulla proliferazione delle cellule del midollo osseo umano coltivato in vitro. [First research on the effects of hydroquinone on proliferation of human bone marrow cells cultivated in vitro] p. 1315-7

2933 GASTALDI A. Una nuova colorazione per il connettivo reticolare. [New stain for connective tissue] p. 1317-20

2934 BOMPIANI A. Elettrofisiologia su carta dell'estrone, estriolo, estradiolo, 17-β. [Paper electrophoresis of estrone, estriol and estradiol] p. 1330-3

2935 PASSARO G., SICILIANO G. Il volume del liquido extracellulare nel neonato. [Extracellular fluid volume in the newborn] p. 1322-5

2936 PASSARO G., MITTICA M. Tempo di ricalcificazione ad attività epatica nel feto, madre e neonato in condizioni normali. [Recalcification time and hepatic activity in mother and newborn under normal conditions] p. 1325-8

2937 PASSARO G., PASSALACQUA W. Modificazione del metodo di Kramer e Tisdal per la determinazione della potassemia. [Modification of Kramer-Tisdal method for the determination of potassium in blood] p. 1329-30

2938 ROSSI-FANELLI A., MONDOVI B., BOFFI V. Separazione elettrofioristica su carta degli esteri fosforici della timina. [Paper electrophoretic separation of phosphoric esters of thymine] p. 1330-3

2939 ROSSI-FANELLI A., CAVALLINI D., DE MARCO C. Mioglobina fetale. I. Cristallizzazione della mioglobina umana e di vacca dal cuore e dei muscoli fetali. [Fetal myoglobin. I. Crystallization of human and bovine myoglobin from fetal heart and muscles] p. 1333-6

2940 TEDESCHI G. G. Azione di alcuni omogenati di organi somministrati per via endo-

venosa. [Effect of intravenous administration of some tissue homogenates] p. 1336-9

2941 SANFILIPPO G. Azione degli antibiotici sulla metamorfosi dei grimi di rana. I. Azione dell'aureomicina. [Effect of antibiotics on the metamorphosis of toad tadpoles. I. Effect of aureomicin] p. 1339-42

2942 L'ABBATE S. Influenza degli estratti epatici, dell'acido nicotinico e degli estratti epatici associati ad acido nicotinico sulla solifoculazione. [Effect of liver extracts, nicotinic acid and liver extracts with nicotinic acid on sulfur coagulation] p. 1343-4

2943 BERNARDINI A., CIMINO G. Il comportamento delle proteine plasmatiche di fronte al calore nel corso dell'avitaminosi C. [Behavior of plasma proteins toward heat during avitaminosis C] p. 1344-5

2944 POLOSA P., CASOLO A., DI SALVO C. Studio clinico-chimico dei lipidi lipocitari in rapporto al tasso colesterolemico nel diabete mellito. [Cytoclinical study of leukocyte lipids in relation to cholesterol rate in diabetes mellitus] p. 1346-9

2945 POLOSA P., DI SALVO C. La localizzazione dei lipidi nei granulociti neutrofili. [Localization of lipids in neutrophilic granulocytes] p. 1349-51

2946 DI FRESCO S., DE RUGGIERI F., ERCOLI A. Isolamento del cerebrosterolo dal cervello umano. [Isolation of cerebrosterol from human brain] p. 1351-3

2947 VOLTA A., CARPI A. Elettività d'azione sul sistema simpatico o parasimpatico di farmaci gangliolitici. [Effectivity of the action of gangliolytic drugs on the sympathetic or parasympathetic system] p. 1353-4

2948 BERTOLINI A. M., VOLTA A. Comportamento dell'attività arginasi del fegato di ratti tiroideotomizzati o surrenectomizzati. [Behavior of arginase activity of the liver in thyroidectomized or adrenalectomized rats] p. 1354-7

2949 BALDACCI F., BETTO E., AMICI A. Ricerche sull'impiego del P32 nella fisiologia e patologia dei vegetali. [Research on the use of P32 in plant physiology and pathology] p. 1357-60

2950 MARTINI E., MARZORATI A. Osservazioni sull'attività elettrica cerebellare dopo somministrazione di neurotossine. [Observations on the cerebellar electrical activity after administration of neurotoxins] p. 1360-1

2951 CARDIN A. Attività locomotrice nel caso spinalizzato cronico. [Locomotor activity in chronic spinal dogs] p. 1363-3

2952 CARDIN A. Sulla natura e sul meccanismo funzionale dei centri locomotori spinali. [Nature and functional mechanism of spinal locomotor center] p. 1363-5

2953 CASONI R. Elementi sierici della ghiandola di Brunner del coniglio e cellule pancreatiche; ricerche istochimiche comparative. I. [Serous elements of Brunner's gland in the rabbit and pancreatic cells; comparative histochemical research. I.] p. 1365-8

2954 AURELI G. Ricerche sul pigmento delle ghiandole tubulari del canale biliare di Ovis aries. [Research on the pigment of the tubular glands of the biliary duct of Ovis aries] p. 1368-70

3981 GOVAERT J Sur le teneur en acide desoxyribonucléique du noyau des cellules vitelligènes chez Fasciola hepatica. [Desoxyribonucleic acid content of nuclei of vitelligenic cells of Fasciola hepatica] p. 1494-6.

3982 VAN DER SCHUREN G, BONTE J Effet léthal des rayons ultraviolets chez Rana temporaria et innocuité apparente chez Rana esculenta. [Lethal effect of ultraviolet rays on Rana temporaria and apparent innocuousness on Rana esculenta] p. 1497-8.

3983 VAN DER SCHUREN G, POCHET L, VAN GANSEWINKEL A, BONTE J Conditions physiques influençant l'action mortelle des rayons ultraviolets chez Rana temporaria. [Physical conditions influencing the fatal action of ultraviolet rays on Rana temporaria] p. 1499-501.

3984 GHUYSEN J M Influence des ions bivalents et de la température sur la production et les activités des principes bactériolytiques de l'actinomycétine. [Influence of bivalent ions and temperature on the production and activities of bacteriolytic principle of actinomycin] p. 1503-5.

3985 LINZ R L'aspect microscopique de Mycobacterium tuberculosis dans les cultures en milieu de Dubos; influence de la streptomycine. [Microscopic aspect of Mycobacterium tuberculosis in cultures in Dubos medium; effect of streptomycin] p. 1505-10.

3986 LINZ R Evolution morphologique de Mycobacterium tuberculosis dans les cultures en milieu liquide de Dubos sans streptomycine ou avec streptomycine. [Morphological evolution of Mycobacterium tuberculosis in cultures in liquid Dubos medium with and without streptomycin] p. 1510-3.

3987 VAN LANCKER J Influence de la moelle osseuse sur les phénomènes de régénération hémopoïétique. [Influence of bone marrow on the phenomena of hemopoietic regeneration] p. 1513-5.

3988 VAN LANCKER J De l'influence de la protection hépatique sur le comportement du système hémopoïétique des animaux irradiés in toto. [Effect of hepatic protection on the behavior of the hemopoietic system of animals irradiated in toto] p. 1515-7.

3989 MAISON J, VAN LANCKER J, DUNJIC A, LAMBERT G, PASSEAU L De l'influence de l'état de jeûne sur la survie des animaux irradiés in toto avec foie protégé. [Influence of fasting on the survival of animals irradiated in toto with the liver protected] p. 1517-20.

3990 MAISON J, DUNJIC A, VAN LANCKER J, LAMBERT G, PASSEAU L A propos de l'influence de la protection hépatique sur la survie des animaux irradiés in toto; importance de la zone protégée. [Effect of hepatic protection on the survival of animals irradiated in toto; importance of the protected zone] p. 1520-2.

3991 VAN LANCKER J De l'influence de la rate sur la régénération du système hémopoïétique du rat irradié; données histopathologiques. [Effect of the spleen on the regeneration of the hemopoietic system of the irradiated rat; histopathological data] p. 1523-5.

3992 ERMANS A Mesure des échanges de phosphore entre plasma et globules rouges par le coefficient de sortie de  $^{32}P$ . [Measurement of the exchange of phosphorus between plasma and erythrocytes by the coefficient of exit of radiophosphorus] p. 1525-7.

3993 ERMANS A Modifications du rythme des échanges de phosphore des globules rouges en rapport avec différents états métaboliques, chez le rat. [Modifications of the rhythm of phosphorus exchange of erythrocytes in relation to different metabolic states] p. 1528-30.

3994 EGAMI F, YAMADA T, SHIO I Sur une méthode simple pour l'extraction des enzymes bactériennes. [Simple method for the extraction of bacterial enzymes] p. 1531-3.

3995 MITSURAI G, YAGASAKI Y Activation et inhibition mutuelles des lumières colorées sur l'electrodermogramme de l'homme. [Mutual activation and inhibition of colored lights on the electrodermogram of man] p. 1533-5.

3996 TOYOSHIMA H Sur le point d'origine et la transmission de stimulus au sinus venosus. [Point of origin and transmission of stimulus to the sinus venosus] p. 1535-7.

3997 KATSUNUMA S Le traitement de l'anencéphalie humaine. [Treatment of human anencephaly] p. 1537-8.

C. rend. Soc. biol. 147:19-20 Oct 53

3998 LEVADITI C, VAISMAN A, CHAIGNEAU-ERRARD H Effets thérapeutiques de l'isonicotinhydrazide (INH) et de certains de ses dérivés dans l'infection tuberculeuse provoquée chez le lapin par l'inoculation intra-adrénale de Mycobacterium tuberculosis humain. [The therapeutic effects of isonicotinic acid hydrazide and certain of its derivatives on tuberculosis induced in the rabbit by injection of Mycobacterium tuberculosis var. hominis into the central nervous system] p. 1546-8.

3999 HINGLAIS H, HINGLAIS M Recherches sur la part propre du sperme dans les anomalies de l'ovogénèse et de la gestation et sur la fonction ontogénétique du spermatozoïde. [Research on the role of the spermatozoa in anomalies of zygote development and gestation

and on the ontogenetic function of the spermatozoa] p. 1548-50.

4000 DURLACH J, BOUVET P, LEVILLAIN R Effet exercé par le propylthiouracile sur la teneur en adrénaline des surrénales de cobaye. [Effect of propylthiouracil on the epinephrine content of the adrenal glands of guinea pigs] p. 1550-2.

4001 ORTAVANT R Existence d'une phase critique dans la maturation épidiymaire des spermatozoïdes de bœuf et de taureau. [Existence of a critical phase in the epididymal maturation of ram and bull spermatozoa] p. 1552-6.

4002 DAUZIER L Recherches sur les facteurs de la remontée des spermatozoïdes dans les voies génitales femelles; étude chez la brebis col de l'utérus. [Research on the factors which control the ascension of spermatozoa in the female genital tract; study in the uterine cervix of the ewe] p. 1556-8.

4003 BARIÉTY M, KOHLER D, BARBE M Influence des poisons curarisants sur l'œdème pulmonaire expérimental d'origine adrénalinique. [Effect of curare poisons on experimental pulmonary edema produced by epinephrine] p. 1558-61.

4004 SABLES H Cinétique de l'action de la phosphomonoestrase alcaline d'os de fœtus et spécificité d'organe des phosphatases. [Kinetics of the action of alkaline phosphomonoesterase from fetal bones and organ specificity of phosphatases] p. 1561-4.

4005 NATAF B Evolution des activités phosphatases alcalines et arginases du placenta de cobaye à différents stades de la gestation. [Development of alkaline phosphatase and arginase activities in the placenta of guinea pigs at different stages of gestation] p. 1564-5.

4006 KOKHAN R Sur la présence d'arginine libre et combinée dans les algues marines. [The presence of free and combined arginine in marine algae] p. 1566-8.

4007 PODDALO J, DAMOISEAU B, HEMBERT J Gangliotiques à ammonium quaternaire et débit cardiaque. [Quaternary ammonium gangliotics and cardiac debt] p. 1568-71.

4008 QUIVY D, GAYET-HALLON T Sur la neutralisation, par le dimercapto-propanol, des troubles cardiaques déclenchés chez le chien par un organo-mercurel. [Reversal by dimercaprol of the cardiac disorders caused by an organic mercurial in dogs] p. 1572-4.

4009 ROCHE J, MICHEL R, TATA J Sur la présence dans le sang de glycoconjugés de la triiodothyronine et de la thyroxine après ligature du canal cholédoque. [The presence in the blood of glycoside acid conjugates of 3, 5, 3'-triiodothyronine and of thyroxine after ligation of the common bile duct] p. 1574-6.

4010 ZIZINE L Action du salicylate de sodium sur l'atrophie surrénale produite par la cortisone. [Effect of sodium salicylate on the adrenal atrophy produced by cortisone] p. 1577-9.

4011 COUDRAT R, MAILLET M Moyens de systématiser le sympathique. [Means of systematizing the sympathetic nervous system] p. 1579-80.

4012 DELOST P Action de la cortisone sur le canal déférent du campagnol des champs (Microtus arvalis P.) castré et surrénaléctomisé. [Effect of cortisone on the vas deferens of castrated and adrenalectomized field mice (Microtus arvalis P.)] p. 1580-4.

4013 YVER J Modifications nucléaires précoces au début du traitement de l'épilepsie de la souris par le méthylcholanthrène. [Early nuclear modifications during the onset of treatment of mouse epilepsies with methylcholanthrene] p. 1584-6.

4014 VALETTE G, HUDOBRO H Répartition de l'histaminase dans le sang de la femme enceinte. [Distribution of histaminase in the blood of the pregnant woman] p. 1586-8.

4015 FOURNIER P, SUSHIELLE H Le comportement des os longs de la rate pendant la lactation; influence de la quantité ingérée de régime équilibré. [Behavior of the long bones of the rat during lactation; influence of the amount of a balanced diet ingested] p. 1589-91.

4016 BÉNAUD H, GAJDOS A, GAJDOS-TÖRÖK M La porphyrie expérimentale par le sédormide chez le lapin. [Experimental porphyria produced in the rabbit by sedormid] p. 1591-3.

4017 BOUILLIERE F, PETTER-ROUSSEAU A L'hémothermie imparfaite de certains primates. [Imperfect maintenance of homothermal body temperature in certain primates] p. 1594-5.

4018 PASCAUD M, LOUEDEC A Influence des régimes types de régimes cancérogènes ou non, sur la répartition des phosphatides au niveau des structures de la cellule hépatique chez le rat. [Influence of various types of cancerogenic and non-cancerogenic diets on the distribution of phosphatides in the intracellular structures of the liver in the rat] p. 1596-7.

4019 GOUNELLE H, MARNAY C, BLONDIN M Les troubles d'absorption de la vitamine E chez les sujets gastrectomisés. [Vitamin E absorption disorders in gastrectomized patients] p. 1598-9.

4020 COMMUNAL R, ADROVER C Considérations sur le rôle améliorateur possible de la cystine sur les lésions des moutons algériens. [Possible role of cystine in improving the wool of Algerian sheep] p. 1599-1603.

4021 DECOURT P, BRUNAUD M, BRUNAUD S Etude expérimentale de la prétendue action gangliotique de la chlorpromazine (R. P. 4560). [Experimental study of the alleged gangliotopic action of chlorpromazine (R. P. 4560)] p. 1603-5.

4022 DECOURT P, BRUNAUD M, BRUNAUD S Action d'un narcotique (chlorpromazine) sur la température centrale des animaux homiothermes soumis à des températures ambiantes supérieures, égales ou inférieures à leur température centrale normale. [Action of a narcotic (chlorpromazine) on the body temperature of homiothermal animals submitted to environmental temperatures higher than, equal to, or lower than their own normal body temperature] p. 1605-9.

4023 HIRTZ G, CARTRON J, PELLUCHON P Etude de l'influence de la para-oxypipropi-phène sur la glycémie et la phosphorémie du rat mâle et femelle. [Study of the effect of p-hydroxypropiphenone on the blood sugar and blood phosphorus levels in male and female rats] p. 1610-6.

4024 BENELLI C, GEYER A, MAZER A Influence du sexe de l'animal sur le cancer provoqué chez la souris par le méthylcholanthrène. [Influence of sex on cancer induced in mice by methylcholanthrene] p. 1616-8.

4025 DELMAS-MARSALLET P L'invagination rythmique dans le tonus du muscle strié. [Rhythmic invagination in tone of striated muscle] p. 1618-22.

4026 BOULET P Expériences sur la perception visuelle du mouvement chez Perca fluviatilis L. [Experiments on the visual perception of movement in Perca fluviatilis L.] p. 1623-6.

4027 KATZER C, HIEBEL G La caractéristique de température ou l'incrément thermique critique de la fréquence cardiaque et de la vitesse de conduction intracardiaque au cours de l'hypothermie expérimentale profonde du rat blanc curarisé. [The temperature characteristic or critical thermal increment of heart rate and of rate of intracardiac conduction during deep experimental hypothermia in curarized white rats] p. 1626-9.

4028 KATZER C, RIETSCH M L La caractéristique de température ou l'incrément thermique critique de la consommation d'oxygène et de la fréquence cardiaque au cours du réveil d'un hibernant (spermophile, Citellus citellus) à 18°C. [The temperature characteristic or critical thermal increment of oxygen consumption and of heart rate during awakening of an animal (the spermophile Citellus citellus) hibernating at 18°C] p. 1629-33.

4029 MANDEL P, RODESCH J La répartition des diverses fractions de phosphore acido-soluble de la peau chez le rat blanc. [Distribution of various acid-soluble phosphorus fractions in the skin of the white rat] p. 1633-6.

4030 TOUSSAINT C, WOLTER R, SIBILLE P Effets de l'ingestion de grandes quantités de chlorure de sodium chez le rat. [Effects of ingestion of large quantities of sodium chloride in the rat] p. 1637-8.

4031 DECOURT P, LECOMTE J Effet du sédormide R. P. sur le choc peptonique du chien et du porc. [Effect of R. P. 4560 on peptone shock in the dog and the pig] p. 1640-2.

4032 BOUNAMEUX Y Action de la cortisone sur le temps de saignement du lapin. [Action of cortisone on bleeding time in the rabbit] p. 1643-5.

4033 SCHWETZ J Sur un cas d'infection accidentelle d'une souris blanche par trois schistosomes. [A case of accidental infection of a white mouse by three schistosomes] p. 1646-8.

4034 MORELLE V Action du chlorure de nickel sur les îlots endocrines du pancréas chez le cobaye. [Action of nickel chloride on the islands of Langerhans in the guinea pigs] p. 1648-50.

4035 THIBAUT J, FRÉDÉRICQ P Corrélation entre l'aspect morphologique et la sensibilité aux bactériophages de deux variétés de C. diphteriae type gravis. [Correlation between morphological characteristics and sensitivity to bacteriophages in two varieties of Corynebacterium diphteriae type gravis] p. 1651-3.

4036 FRÉDÉRICQ P, BETZ-BAREAU M Transfert génétique de la propriété de produire un antibactériophage. [Hereditary of the property of producing antibiophage] p. 1653-6.

4037 PHILIPOT E L'action de l'heptyl-triméthylammonium à la jonction neuromusculaire. [Effect of heptyltrimethylammonium on the neuromuscular junction] p. 1657-9.

4038 WELSCHE M, GHUYSEN J M Activité streptolytique de l'actinomycétine. [The streptolytic activity of actinomycin] p. 1659-62.

4039 BLONDEL B Recherches sur la streptomycine-résistance dans des conditions qui excluent la sélection de mutants. [Research on streptomycin resistance under conditions which exclude the selection of mutants] p. 1662-5.

## REVISTA MÉDICA DE COSTA RICA

Rev. méd. Costa Rica 20:226-234 Feb-Oct 53

8296 VERAVAL GUZMAN A Estrofia de la vejiga urinaria; presentación de un caso operado con éxito. [Protrusion of the urinary bladder; presentation of an operated case with success] p. 31-3.

8297 GONZALEZ MURILLO G Informe de labores en 1952 de la Junta Directiva del Colegio de Médicos y Cirujanos ante la Junta General. [1952 Report of the Board of Directors of the Colegio de Médicos y Cirujanos at the general meeting] p. 34-44.

## REVISTA MEXICANA DE TUBERCULOSIS (México, D. F.)

Rev. mex. tuberc. 14:70 Sept-Oct 53

8298 STAINES E Los antibióticos en la tuberculosis pulmonar. [Antibiotics in pulmonary tuberculosis] p. 467-8.

8299 PAYNE H Acción anti-tuberculosa de la violomicina en los seres humanos. [Antituberculous effect of viomycin in human serum] p. 469-75.

8300 DIAZ V O, INCHAUSTEGUI S, HERRERA J M La migración del ácido isonicotínico en el tratamiento de la tuberculosis del niño; informe preliminar de los resultados obtenidos en el Sanatorio Infantil El Santo Socorro. [Isonicotinic acid hydrazide in therapy of tuberculosis in children; preliminary report of results obtained in the Sanatorio Infantil El Santo Socorro] p. 477-88.

8301 REBORA F El pneumoperitoneo en la época actual. [Current status of pneumoperitoneum] p. 497-500.

8302 LANGE A J La sílisis como enfermedad compensable. [Compensation in stillbirths] p. 501-6.

8303 RONDE F Algunos aspectos sobre la valoración de incapacidades por sílisis al México. [Evaluation of incapacity caused by stillbirth in Mexico] p. 507-17.

8304 LIZARDO F Consideraciones acerca del dolor post-operatorio en cirugía endocrítica y como prevenirlo. [Prevention of postoperative pain in endocrinologic surgery] p. 514-24.

8305 GAMA J R, REYES J L R La hidradia del ácido isomónico como condruante en el tratamiento de la tuberculosis pulmonar. [Isomonic acid hydrate as adjunct to therapy of pulmonary tuberculosis] p. 525-34.

8306 BRAVO A A Diagnóstico de la tuberculosis genital femenina. [Diagnosis of female genital tuberculosis] p. 535-41.

8307 ORTEGA R A El neumoperitoneo en el tratamiento de la tuberculosis pulmonar. [Pneumoperitoneum in therapy of pulmonary tuberculosis] p. 543-51.

8308 RÓDORA F, CONTRERAS M S Teratoma quístico benigno del mediastino anterior. [Benign cystic teratoma of the anterior mediastinum] p. 553-60.

# REVISTA DE SANIDAD Y ASISTENCIA SOCIAL (Caracas)

Rev. san., Caracas 17:5-6 Sept-Dec 52

NOT INDEXED

# REVISTA DE LA SOCIEDAD ARGENTINA DE BIOLOGÍA (Buenos Aires)

Rev. Soc. argent. biol. 39:5-6 Aug-Sept 53

8309 HOUSAY B A, BURGOS M H Espermación por la adrenalina y otras aminas simpáticas. [Release of spermatogenesis due to adrenal and other phenol amines] p. 155-62.

8310 BURGOS M H Acción de los estrógenos sobre el testículo, cuerpo de Blüder y glándulas endocrinas del sapo. [Effect of estrogens on testis, Blüder's body, and endocrine glands in toad] p. 162-70.

8311 HOUSAY B A, CARDEZA A F, FOGLIA V G, HOUSAY A B, PINTO R M Evolución anatómica y funcional de los tumores suprarrenales de las ratas castradas. [Anatomical and functional development of adrenal tumors in castrated rats] p. 170-8.

8312 MARCINI R E, GARNIER J C Microproteína sérica en las endocrinopatías. [Serum microproteins in endocrine gland diseases] p. 179-84.

8313 CHAT A, CAMPONOVO P B, DE PINTO M I Eliminación del potasio en conejos con riñón quirúrgicamente reducido. [Elimination of potassium in rabbits with kidneys reduced surgically] p. 184-9.

8314 TALENEN K Fostataza alcalina y regeneración hepática. [Alkaline phosphatase and hepatic regeneration] p. 190-4.

8315 DE ESPANES E M, WEXLER B Algunos aspectos de la toxicidad de la dibenzilacetilammina. [Certain aspects of toxicity of dibenzylacetilamine] p. 195-9.

8316 PENHOS J C Modificaciones por el ácido fólico o la aminopterina de la acción de las hormonas sexuales en el sapo. [Modification induced by folic acid and by aminopterina on the action of sex hormones in toad] p. 200-3.

8317 HOUSAY B A Acción de la somatotropina y la cortisona sobre el corazón y otros órganos de la rata hipofisectomizada. [Effect of somatotropin and of cortisone on the heart and other organs in hypophysectomized rat] p. 204-9.

8318 CAMPONOVO P B Técnica para la determinación del potasio sérico. [Technique for determination of serum potassium] p. 210-5.

8319 KRAVETZ DE BRULLES L Actividad estrogénica en la sangre del hombre normal pre y post-coito. [Estrogenic activity in normal men before and after coitus] p. 218-20.

8320 HOUSAY B A Umbral de acción de los estrógenos sobre el crecimiento del pelo en ratas y ratones. [Threshold of action of estrogens on growth of hair in rats and mice] p. 221-7.

# REVUE MÉDICALE DE LIÈGE

Rev. méd. Liège 9:3 1 Feb 54

8321 LEROUX G F Significación de la angiocardiografía en la diagnóstico anatómico de las afecciones mitrales y de las pericarditis. [Significance of angiocardiography in the anatomical diagnosis of mitral disorders and pericarditis] p. 73-5.

8322 DIVRY A, LEFEBVRE L, CAMBRESIER P, CARLIER J Discusión de una indicación de comisurotomía mitral. [Discussion of an indication for mitral commissurotomy] p. 76-7.

8323 LAMBRICHTS A, BOEVER-MARECHAL A Physiologie de la respiration du fœtus, du prématuré et du nouveau-né. [Physiology of respiration of the fetus, the premature, and the newborn] p. 78-80.

8324 LECLERCQ M A propos de l'hypertrophié postmenopausique. [Postmenopausal hypertrophy] p. 81-4.

8325 FLOREN M Velbruck et la médecine. [Velbruck and medicine] p. 83-92.

# REVUE MÉDICALE DU MOYEN ORIENT (Beirut)

Rev. méd. Moyen Orient 10:4 Oct-Dec 53

8326 SICARD A, SIBAUD Y La chirurgie sous hypotension contrôlée. [Surgery under controlled hypotension] p. 443-50.

8327 COUJARD R Effets locaux et lointains des agressions sympathiques sur la croissance du tractus génital. [Local and distant effects of lesions of the sympathetic nervous system on the growth of the genital tract] p. 451-73.

8328 TAPTAS J N Mécanismes et traitements des maux de tête. [Mechanisms and treatment of headaches] p. 473-87.

8329 CHAIA J Les problèmes endocrinologiques et leur retentissement social au Liban. [Endocrinological problems and their social repercussion in Lebanon] p. 488-94.

8330 ARNULF G Etat actuel du traitement chirurgical des artérites oblitérantes chroniques des membres. [Present status of surgical treatment in chronic obliterating arteritis of the extremities] p. 485-511.

# REVUE DE PATHOLOGIE GÉNÉRALE ET COMPARÉE (Paris)

Rev. path. gén., Par. 53:551 Oct 53

8331 MERKLEN F P, BERTHAUX P, FORMAN J L Les anomalies hyperhémiques de l'onde T de l'électrocardiogramme et l'antagonisme calcium-potassium chez diverses espèces animales. [Hyperhemic anomalies of the T wave of the electrocardiogram and calcium-potassium antagonism in different species of animals] p. 517-42; discussion p. 564-7.

8332 BAHIN R, BENELLI C, ROUGIER G Sur l'action de la cortisone vis-à-vis de l'œdème pulmonaire consécutif à l'héparisation chlorée. [Action of cortisone on pulmonary edema following chlorinated heparin] p. 543-7.

8333 LEROY D, REZAI J, RICHIER-CHEVREL M E, RICHIER J L Une épidémie humaine de cow-pox en Bretagne. [Human epidemic of cowpox in Brittany] p. 547-51.

8334 ANCEL P Les bases chimiques de la tératogénèse chez les animaux. [Chemical bases of teratogenesis in animals] p. 578-1008.

8335 CHOUARD P Introduction à la connaissance des mécanismes de la tératogénèse chez les plantes. [Introduction to the knowledge of the mechanism of teratogenesis in plants] p. 1003-40.

8336 GIROUD A Influences des facteurs toxiques sur les malformations fœtales. [Influences of toxic factors on fetal malformations] p. 1041-56.

8337 WOLFF E Analyse de l'action des substances tératogènes par la méthode des cultures d'organes in vitro. [Analysis of the action of teratogenic substances by the method of tissue cultures in vitro] p. 1057-64.

8338 MARTINE-DUBOISQUET J Rapport possible entre trois cas d'athypoplasie et l'administration d'hormones sexuelles. [Possible relation between three cases of embryopathy and the administration of sex hormones] p. 1067-71.

8339 MUGLER A Extraits du colchique et maladies allergiques. [Colchicine extract and allergic diseases] p. 1077-84.

8340 REBERT A F Action de divers constituants chimiquement définis du miel et des extraits d'abeille sur des cellules colchicinales du blé. [Action of different chemically defined constituents of honey and bee extract on colchicine wheat cells] p. 1085-90.

8341 RUBEAMANN R, SCHELLONG G Une cause de malformation: manque d'oxygène [A cause of malformation: oxygen deficiency] p. 1091-7.

8342 RIVERA V Sensibilité des tissus végétaux normaux et pathologiques aux radiations et à l'action des métaux. [Sensitivity of normal and pathological plant tissues to radiations and to the action of metals] p. 1097-9.

8343 WRBA H Quelques réflexions sur le mécanisme de la tératogénèse expérimentale. [Mechanism of experimental teratogenesis] p. 1100-5; discussion p. 1106-9.

8344 MENETRIER J Considérations sur l'utilisation de la physique nucléaire en biologie expérimentale. [Considerations on the utilization of nuclear physics in experimental biology] p. 1113-43; concl.

Rev. path. gén., Par. 53:553 Nov 53

8345 CALLOT J, ROCHEDEU-ASSEMACHIER V Le paludisme en Alsace; historique, extension, régression. [Malaria in Alsace; history, extension and regression] p. 1183-85.

8346 FLOCH H La régression du paludisme dans notre département sud-américain de la Guyane française. [Regression of malaria in our South American department of French Guiana] p. 1186-90.

8347 SAUTET J Les fluctuations du paludisme dans le sud de la France et dans les départements insulaires. [Fluctuations of malaria in the south of France and in the island departments] p. 1199-208.

8348 COULEN F, BEUET J, DOBY J M La régression du paludisme dans la région du nord de la France. [Regression of malaria in the northern region of France] p. 1209-30.

8349 HARANT E, KLOUX J A Le paludisme autochtone en Languedoc-Roussillon; historique; régression. [Autochthonous malaria in Languedoc and Roussillon departments; history and regression] p. 1240-51.

8350 SIGALAS R, PAUTRIEL R, SANJUANCO H La régression du paludisme autochtone dans le sud-ouest de la France. [Regression of autochthonous malaria in southwest France] p. 1252-71.

8351 HELLUY J R Le paludisme en Lorraine. [Malaria in Lorraine] p. 1273-91.

8352 WANDON M La disparition du paludisme en Belgique. [The disappearance of malaria in Belgium] p. 1293-8.

8353 CROENIER R Considérations présentées sur le paludisme métropolitain; caractères et incidences. [Present-day comments on metropolitan malaria; characteristics and incidence] p. 1299-307.

8354 LAURET J Remarques d'ordre général concernant la régression du paludisme dans nos pays. [Remarks of a general nature on the decline of malaria in western Europe] p. 1308-12.

8355 RANQUE J, DEPIERRE R, MORGNOUX J B Comparaison entre les foyers actuels de filariase canine à Dirofilaria immitis et les anciennes zones de paludisme humide de la côte provençale. [Comparison of present foci of canine filariasis due to Dirofilaria immitis and the previous zones of human paludism of the coast of Provence] p. 1313-8.

8356 JULLIARD E Du pâturage à la stabulation dans la plaine d'Alsace. [From pasturage to stables in the plain of Alsace] p. 1318-9.

8357 DENIAUD J Etude des causes de la disparition du paludisme dans la région du lac de Grand-Lieu. [Study of the causes of the disappearance of malaria in the region of Lac de Grand-Lieu] p. 1320-7.

8358 CHEDD P Les conditions de la régression du paludisme au Liban. [The conditions of decline of malaria in Lebanon] p. 1328-30.

8359 BAGGI, FAVILLI Quelques facteurs qui contrôlent la composition chimique et cellulaire et la réactivité individuelle au processus physiologique. [Some factors which control the chemical and cellular composition and the individual reaction to the physiologic process] p. 1331-8.

8360 KLEIN M, MAYER G Physiologie normale de la sécrétion lactée; aspects expérimentaux sur les espèces de laboratoire. [Normal physiology of lactal secretion; experimental aspects in laboratory species] p. 1347-69.

8361 LETARD E L'évolution de l'aptitude lactière chez les animaux domestiques. [The evolution of the milk-producing aptitude in domestic animals] p. 1376-87.

8362 JACQUET J Les infections de la mamelle de la vache; maladies provoquées par des ultra-violet et par des germes visibles. [Infections of the cow's udder; diseases caused by ultra-violet and by visible germs] p. 1388-408.

8363 BOUVIER G Bacilles de Bang et bacilles tuberculeux dans les laits de mélange. [Bang's bacillus and M. tuberculosis bovis in commercial milk] p. 1400-16.

8364 LOUBRE A, CORDEZ E Le métabolisme azoté chez la vache laitière. [Nitrogen metabolism of the dairy cow] p. 1417-33.

8365 PEETERS G, COUBRENE R, SIENS G Quelques expériences sur la synthèse du lait au moyen de la technique de perfusion de vache isolée. [Some experiments on synthesis of milk by the technique of perfusion of the isolated cow's udder] p. 1434-40.

8366 GRAUD, CORNET J Les échanges de la sécrétion lactée chez la femme. [Exchanges of lactation in woman] p. 1441-7.

8367 BRULEY R, SIMONNET H, TIEBER H Recherches expérimentales sur la physiologie de la sécrétion lactée; déclenchement de la sécrétion lactée chez le lapin mâle. [Experimental studies on the physiology of the lactal secretion; initiation of lactation in the male rabbit] p. 1448-52.

8368 GROULHAUD P Influence de l'hypertonicité osmotique sur l'odeur et le goût du lait. [The influence of hypertonicity on the odor and taste of milk] p. 1453.

8369 BUTTAUX R, BEKENS H Les indices de propreté originelle des laits pasteurisés. [The indices of original cleanliness of pasteurized milks] p. 1454-5.

8370 ROULIN G Recherche du Mycobacterium tuberculosis dans le lait; nouvelle technique de culture. [Test for Mycobacterium tuberculosis in milk; new culture technique] p. 1460-3.

# UNIVERSITY OF ROCHESTER. ATOMIC ENERGY PROJECT (Rochester, N. Y.)

10058 BRENT R L Another possible cause of spontaneous mutations. p. 1-34. Contract W-7401-eng-49 UR-315 2 Feb 54.

10059 NEUMAN W F, WHEEL J H Jr The re-crystallization of bone mineral. p. 1-34. Contract W-7401-eng-49 UR-314 22 Feb 54.

10060 FELDMAN I, HAYILL J, NEUMAN W Polymerization of uranyl-citrate, -malate, -tartrate, and -lactate complexes. p. 1-28. UR-315 22 Feb 54.

10061 MIXTER G Jr The empirical relation between time and intensity of applied thermal energy in production of 3+ burns in pigs. p. 1-11. UR-316 3 Mar 54.

10062 HURSH J B, VAN SLYKE F, CASARETT G The effect of single vs. divided doses of x-irradiation on survival of rats. p. 1-11. UR-317 16 Mar 54.

10063 HURSH J B, VAN SLYKE F, CASARETT G Use of a test dose to estimate life shortening produced in rats by a single dose of x-irradiation. p. 1-11. Contract W-7401-eng-49 UR-318 16 Mar 54.

10064 NOONAN T R, STANHARD J N Influence of diet on survival of rats following whole body x-irradiation or polonium injection. p. 1-10. Contract W-7401-eng-49 UR-320 23 Mar 54.

# WRIGHT AIR DEVELOPMENT CENTER (Wright-Patterson Air Force Base, Ohio)

10065 ACKERMAN E, REED J J, KINLOE H, FRINGS H W Biological effects of high-intensity sound waves. p. 1-51. WADC Technical Report 53-82 Jan 53

10066 STUDIES in explosive decompression; physiological and pathological effects. p. 1-228. WADC Technical Report No. 53-191 Dec 53.

10067 HEGNAUER A H, ANGELAKOS E Hand and finger blood flow rates under different temperature conditions. p. 1-51. WADC Technical Report No. 53-501 Dec 53.

10068 HERTZMAN A B, RANDALL W C, FEISS C N, ADAMS J G Studies on cutaneous heat losses. XII. Factors influencing the significance of local sweating responses. p. 1-20. AF Technical Report 6680 Part 12 Jan 54

10069 HERTZMAN A B, RANDALL W C, FEISS C N, ADAMS J G Studies on cutaneous heat losses. XIII. Cutaneous thermosensory recruitment of sweating. p. 1-17. AF Technical Report-6680-part 13 Dec 53.

10070 RANDALL W C, FEISS C N, HERTZMAN A B Studies on cutaneous heat losses. XIV. An analysis of the desiccating capsule technique in the measurement of regional water losses from the skin. p. 1-18. AF Technical Report-6680-part 14 Dec 53.
